

# FOSTER FAMILY FARM'S 2021 CSA INFO SHEET

## WHAT IS A CSA?

Community Supported Agriculture (CSA) consists of a community of individuals who pledge support to a farm operation so that the farmland becomes the community's farm, with the growers and consumers providing mutual support and sharing the risks and benefits of food production. CSA aims to close the gap between the farmer and consumer, as consumers purchase locally grown food directly from the farmer.

## WANT TO GET FREE VEGETABLES? WE'LL TELL YOU HOW!

Foster Family Farm (FFF) would like more people in our community eating fresh, locally grown vegetables. For this reason, FFF would like to give our loyal customers a week's worth of free CSA food box.

#### How does FFF's referral program work:

- You must be a full season customer. That means you have completely paid for your CSA food box by June 30, 2021
- FFF will give you **one week's worth of vegetable free\*** for every new customer you refer who signs up for the CSA program and pays in full by June 30, 2021.
- So for every new customer who signs up and pays for the full season, you receive **one week's worth of vegetables free\***. If you have 5 referrals who sign up and pays in full by June 30, 2021, you receive **5 weeks' worth of vegetables free\***.
- The customer you refer must provide your name in order for you to receive your free box.
- Each new customer that you refer, equals one week's CSA food box in the year of referral.

*\*CREDIT CAN BE USED TOWARDS EXTRA VEGETABLES PURCHASED FROM OUR ONLINE FARMIGO STORE THIS YEAR OR CAN BE DEDUCTED FROM YOUR 2022 CSA FOOD BOX.*
